ABOUT ST. JOSEPH'S & SWANSEA UNIVERSITY

For a truly global education, study across 2 continents and get a valuable degree in 3 years. St. Joseph's College of Commerce (SJCC) along with Swansea University, U.K now offer you the opportunity to pursue one year in India and 2 years in Swansea.

Having set quality benchmarks in Commerce and Management, SJCC has been ranked 10th in India in an India Today-AC Nielsen survey conducted in 2010, continuing its long standing tradition of remaining one of the top 10 Commerce institutes in the country.

Swansea University (UK), a traditional and research oriented university established in 1920 that shares similar values to SJCC. It has been rated 10th best in the U.K for The Best Student Experience (THES 2009) and is particularly known for its excellence in Accounting, Finance, Business and Management, Economics, Engineering, Computer Science and Law.

The University boasts strong industry links and also has work placement programs specifically geared for international students. Moreover, Swansea boasts a much lower cost of living compared to other British cities, making it an affordable option for the quintessential Indian. It is also the 5th safest city in the UK.

The final undergraduate degree will be awarded by Swansea University.
