## The College Crest

The Crest is to an Institution what the insignia is to a military general. It symbolizes its ethos, status and purpose.

The Crest of St. Joseph's College of Commerce has two scrolls - one above, on which is inscribed the motto of the Institution in Latin - *Fide et Labore*, meaning '*By Faith and Toil*', and the other beneath, with the name of the Institution. A shield at the centre bears the Cross which is symbolic of the Christian faith; and the two bees on either side of the lower part of the Cross are an expression of tireless work. Further the palm leaves encircling the shield are a call to victory, and the crown above, the crown of glory.

The College Motto is *Fide et Labore* which means '*By Faith and Toil*'. Faith, among other things gives a person commitment to God, to his fellow beings and to intellectual pursuits. Toil is the necessary prerequisite for success.

The students are constantly guided and encouraged to cultivate the art of thinking that nurtures imagination, stimulates critical enquiry and empowers them to think and express themselves clearly. To channelize the quest for academic excellence the Institution with the highly competent faculty, an efficient administrative team, excellent infrastructure creates an invigorating atmosphere of academic culture.

## **2. Character Formation**

“The function of education is to teach one to think intensively and to think critically. Intelligence plus character – that is the goal of true education”.

- Martin Luther King, Jr

As an institution run by a religious group, the College gives great importance to spiritual formation and character development. Ultimately a person is what his spiritual and moral values are, and this aspect of your education, you will carry with you all your life.

The College respects all faiths. Every student is expected to have a basic knowledge of the major doctrines and practices of his/her faith. He/she is expected to examine his/her religious feelings and beliefs with a view to deepening the basic and fundamental orientation towards God and establishing a relationship with his/her religious traditions and practices. It is equally important that one grows in knowledge of other religions and appreciation of them. India has been traditionally known for its multi-cultural harmony.

Character formation is an integral process that shapes the individuality and distinctiveness of an individual. The College believing and following its motto to build up and shape the mental, moral qualities of its students arranges for meaningful curricular, co-curricular and extracurricular activities.

## **Campus Ethos**

The campus ethos of St. Joseph's College of Commerce is constituted of an academic fraternity committed to the advancement of learning; dedicated to serious curricular and non-curricular activities, creative in thought and action, and productive both at the individual and public space. It entails special concern for the disadvantaged, for women, and respects the sanctity of a person going out of his way to be in service to others.

On this campus while camaraderie and restful relaxation have a place, ennui and a cynical attitude is anathema as being harmful to the Josephite image. In essence our ethos is what the founder of the Jesuits order calls, "magis", the greater, the higher – the greater in everything.

## **Campus Ministry**

The office of the Campus Ministry at St. Joseph's, faithful to the Jesuit Catholic heritage, attends to the spiritual needs of the students. In an era marked by challenges and delusions, we strive to impart the signature spirituality of Ignatius – 'find God in all things'.

Eucharistic Celebrations- Holy Mass is celebrated in the college auditorium on the first Friday of every month. Guest priests are invited for the meaningful and creative Eucharistic celebration. The college choir is instrumental in inspiring meaningful praise and worship with their melodious voices. Special masses are celebrated on festive occasions like the Feast of founder St. Ignatius of Loyola, Feast of St. Francis Xavier, Feast of Mother Mary, Christmas, Ash Wednesday and Easter.

Praise and Worship Sessions -This is purely a voluntary gathering for about half an hour is held every Wednesday. Students come together to their experiences and participate in action songs for the glory and honour of our Lord.

Faith Formation Classes - Weekly classes of one hour each are held for I and II year Catholic students. The curriculum for these classes is decided after numerous deliberations by all the concerned teachers under the guidance of the Campus Minister. Students are given knowledge on the Bible, the Prophets, and on the life and various manifestations of Jesus.

Annual Programmes - Annual Retreats for catholic students are organized each academic year. Topics of discussion include finding one's true self, acceptance and spirituality in the workplace. The Feast of our founder, St. Ignatius of Loyola, is celebrated in an impressive manner for an

entire week. Various competitions like essay writing, quiz, poster making and collage are held in commemoration of the feast and banners are put up in the campus explaining the life and teachings of St. Ignatius.

### **The Co-education System**

The ratio of boys to girls in the college is seven to three, since there are several Catholic/Christian colleges exclusively for girls in Bangalore. The purpose of bringing growing young men and women together during the post-school period is to facilitate a healthy emotional growth while the intellect is trained in secular knowledge.

Exclusive pairing within the premises or on campus, levity in word or gesture and eve-teasing shall be considered as serious offences.

### **Mentorship**

The role of the Mentors is to contribute to the holistic development of the students under their care. Mentoring entails to be supportive towards the student and to help a student in any specific way in which he or she may require guidance. Each class has a mentor, the role of the mentors is to be supportive towards the student and be a link between the student and the department, between the subject teachers and the students, between the parents and the students and between the students themselves. They contribute to the holistic development of the students under their care.

### **Counselling and Spiritual Support**

The College provides the students with the services of professional counsellors to tackle emotional and academic problems. While the students are encouraged to visit the counsellors by voluntary appointment, the College may also refer students who may be judged to benefit from such referral.

Regular value inputs are given to all students in order to deliberate on and assimilate human, social and spiritual values. Besides, a multi-religious prayer room is provided for yoga, quiet relaxation and prayer during recess hours.

### **Citizenship Training and Students' Council**

Citizenship training is aimed to evolve student's social responsibility in upholding and adhering to the law and order of the society and to create a healthy environment. To inculcate the above virtue, the Students' Council and Office bearers are elected by the students.

Nonetheless, to maintain freedom from bias and politicking the following norms are laid down which should be strictly observed.

- Candidates aspiring for the posts must have a good academic and disciplinary record (detailed rules will be formulated by the Election Commission).
- No candidate can profess affiliation to any political party or receive monetary or other support.
- Elections should be healthy contests in a spirit of fair play and create no animosities among students or classes.
- After the election all students must profess loyalty to the elected office-bearers and co-operate with them in the discharge of Council duties.

### **Parents and Guardians**

Parents and Guardians are partners with the College in the task of total and integral education of their wards. It is in keeping with this concept of "partnership-in-education" that the Principal invites the parents/guardians of students in batches to discuss the performance of their children. The dates of the meetings are announced in the calendar and will also be intimated. Parents/guardians are requested to attend the meetings. It is also recommended that they meet the Student Councillors and Class Mentors to ascertain the conduct and progress of their wards. The College welcomes suggestions from parents and well-wishers.

### **Sports and Games**

The Institution emphasizes the development of physical prowess along with intellectual growth in its endeavour to provide holistic education. The College has carved out a name for itself in the field of sports and games. Students are encouraged to participate in inter-class and intercollegiate tournaments. For students' training and fitness a well equipped gym with latest equipment is provided.

### **Regulations regarding Sports and Co-curricular activities**

- Attendance will be given to the student for days of management and cultural fests, matches and tournaments in which the student represents the College, University, State or Nation. Attendance will also be given for

the days lost due to travel and training camps for University, State and National teams. - The student should submit an authorized copy of the Tournament fixture to the Class Mentor and the Sports Director and get their approval before leaving for the tournament. They must submit a report of their performance after the tournament along with relevant documents. The Sports Department will maintain a logbook to enter these details.

Attendance exemption will be given to sports hostel students for participating in such tournaments as players. 2. College mandates a minimum of 75% attendance in each paper to be eligible to write the mid semester exams.
3. If a student fails to secure a minimum of 75% attendance in a semester, then he/she will be detained for that semester. He/she will have to repeat the semester and has to enroll afresh, by paying 50% of the annual fees.
4. If a student is absent for one period in a day, he/she will be marked absent for that period only.
5. Attendance is available for students/parents to view on the College website. Every student will be provided with a unique password at the beginning of the academic year to access information, including attendance.
6. Parents are requested to make use of this facility in tracking the attendance of their ward.
7. Students must check the attendance regularly, and if any discrepancy is found, the same should be brought to the notice of the class mentor/HOD in writing within two working days.
8. It is mandatory for students to attend the mid semester test. There will be no retest.

10. If a student is absent up to three classes in a subject/paper, he/she may attend the next class of that subject/paper only after getting an admit slip from the Class Mentor.

14. Marks will not be awarded for attendance.
15. No attendance will be given to students for participation in Certificate Courses (they are held outside regular class hours).

**Certificates and Procedure to obtain the same:**

Certificates may broadly be grouped into two categories:

- (1) Routine                      (2) Special

Routine certificates are those which are applied for and obtained as a matter of course. For example, bonafide student certificate, provisional pass certificate, transfer certificate, student ID/bus pass and bus/train/air student concession forms. Special certificates are in the nature of those which call for special certification from the Head of the Institution. For example, a certificate to state that X holds a valid passport, and is a student of the College, or a transcript of the college/university marks, or a special commendation in response to a general or special request from the third party.

**How to apply:**

The student desiring to apply for a certificate should give a request in writing and submit after paying the requisite fee. At least two working days are needed to process the application. Requests for special certificates are to be made in person to the Principal along with a written application appended by a specimen of the desired certificate. Special certificates may not always be issued within 24 hours if they need more time for verification or preparation.

Attestation of marks cards, etc. is done as a student service on request. The copies to be attested marks card should be presented in the office and can be collected on the following day.

**Timings:**

Please note that applications for certificates/attestation should be made between 9 and 10 a.m. and between 2.30 and 4.00 p.m. The certificates will be issued only between 2.30 and 4.00 p.m. of the following day.

## **Autonomy in St. Joseph's College of Commerce**

St. Joseph's College of Commerce is an Autonomous College under the Bangalore University. Autonomy provides the College the right to frame its own syllabi and conduct its own internal and semester examinations. The Bangalore University will confer the Degree with the name of the College.

### **Academic Evaluation:**

Academic evaluation is an important administrative function to find out how well the students have learnt the various courses of the degree programme.

### **Credit System:**

The College has adopted a ten point grading system under the Choice Based Credit System (CBCS) from the academic year 2015-16. The modalities and the operational details are available in the syllabus document relevant to the course.

### **Curriculum - Evaluation**

**Examination Unit:** The Principal heads the Examination unit. The Controller of Examinations (COE) is the coordinator of the entire assessment system. The other members of the Examination Committee are appointed by the Principal.

**For the exam schedule refer pages 59 - 60.**

**Evaluation System:** Evaluation of PG and UG courses consists of two components, viz., Continuous Internal Assessment (CIA) and End Semester Examination (ESE). The following rules are common for both UG and PG courses.

1. Continuous Internal Assessment (CIA) includes a centrally organized MID TERM TEST and other exercises administered by the teacher such as Unit test/Online test/Snap test/Surprise test/Quiz / Assignment / Presentation/Project/Research article/Seminar etc.
2. All answer scripts of CIA tests will be returned to the students. They are expected to file them. If there is any ground for appeal regarding the marks allotted in any component of the CIA, the candidate must take it to the concerned teacher within 48 hours. If the student is not satisfied with the outcome, they must approach the HOD of the department.

3. To be eligible to appear for the midterm test a student should have at least 75% attendance in the respective subject. The students who do not appear for the Mid-Semester test would have to do so in the following year when the CIA is conducted. This is applicable to all students, except for those who officially represent the College, for whom a special test would be conducted.
4. There is no provision for improving the CIA marks and the marks for dissertation.
5. End Semester Exam (ESE) will be held for 70 marks. The duration of the examination is 3 hours.
6. Only those students who secure 75% attendance in each paper are eligible to write the end semester examination.
7. If a student misses the End Semester Examination, the student will be marked "Absent" and must take the supplementary examination in that paper in the next available chance.
8. A UG student has to get in each subject a minimum of 40% marks in the ESE and the aggregate marks should also be 40% which includes CIA & ESE.
9. The results of semester examination (including the CIA and ESE marks totaling to a maximum of 100 marks) will be published within four weeks from the date of completion of the End Semester Examination.
10. A candidate should complete the Bachelor's Degree within five (3+2) academic years from the year of admission.
11. To be declared passed, a student should obtain 50% in the aggregate and a minimum of 40% in every subject both in the CIA & ESE i.e. 12 out of 30 in CIA and 28 out of 70 in ESE.
12. A candidate should complete the Master's Degree within four (2 + 2) academic years from the year of admission.
13. Any problem pertaining to mistakes in declaration of results, in marks cards or revaluation shall be referred to the Controller of Examinations.
14. Each student will be given a unique -password for viewing the attendance, and CIA marks. With this password, students will be able to download hall tickets and marks statement at their convenience. For safety, students are advised to change the password. If the student wants the password for the second time, original or the changed one, they must approach the Vice Principal's office with a letter regarding the same.

15. Final results for the semester will be published in the college website. Students are required to maintain a copy of the provisional marks details published in the web site. The original marks card for all semesters will be issued only after the completion of the course.
16. Request for Revaluation, Re-totaling and photocopy of the answer book of the ESE, if any, has to be made to the Controller of Examination along with the prescribed fee within two weeks from the declaration of the results.

### **Supplementary Examination/ Special Supplementary Examination**

1. Students who have failed in any paper in the semester examination will have to write the supplementary examination for that paper. Such students will write the odd semester supplementary papers during the odd semester exams and even semester supplementary papers during the even semester exams along with the regular students.
2. Additional Supplementary examinations will be conducted for Semesters V UG and Semester III of PG in the month of November and for Semester VI of UG and Semester IV of PG in the month of June
3. The marks scored by a student in supplementary examinations will not be considered for rank. However, such marks will be taken into account for the award of grades. The marks obtained in revaluation and improvement will be considered for rank.
4. There is no provision for obtaining Photocopy of the answer script, revaluation and re-totaling in the Supplementary Examinations conducted by the College.
5. Any problem pertaining to mistakes in the declaration of results, entries in the Marks Cards or revaluation shall be referred to the Controller of Examinations in writing within a week of declaration of results/issuing of the Marks Card.
6. Any other issue not mentioned here will be resolved by the Principal from time to time in consultation with appropriate bodies of the College and such decisions shall be final and binding on the candidate.

### **Mandatory Courses for UG Students**

All the UG students must clear the following mandatory courses (i) Indian Constitution (ii) Environmental Studies (iii) Human Resource Development (iv) Association Activities (v) Outreach Activities (vi) Internships. ## Jesuit Education...

**Is world-affirming:** Jesuit education acknowledges God's presence and action in all of creation: in nature, in history and in persons. Therefore, it affirms the radical goodness of the world and it regards every element of creation as worthy of study and contemplation, capable of endless exploration.

**Cares for each person:** Jesuit education recognizes the developmental stages of intellectual, affective and spiritual growth and assists each student to mature gradually in all these areas.

**Is value-oriented:** Jesuit education includes formation in values, in attitudes, and in an ability to evaluate criteria; encourages a realistic knowledge, love, and acceptance of self.

It provides a realistic knowledge of the world in which we live.

**Pursues excellence:** The Jesuit education helps students to develop the qualities of mind and heart that will enable them in whatever station they assume in life - to work with others for the good of all.

**Is to form men and women for others:** Jesuit education helps students to realize that talents are gifts to be developed, not for self-satisfaction or self gain, but rather, with the help of God, to be utilized for the good of the human community. Students are encouraged to use their gifts in the service of others, out of a love for God.
