

St. Joseph's College of Commerce (Autonomous)

163 Brigade Road, Bengaluru, Karnataka - 560 025.

Department of Professional Programmes

B.Com (Analytics)

ADMISSIONS 2026 - 2027

About the Institution

St. Joseph's College of Commerce (SJCC) formerly a part of St. Joseph's College, established in the year 1882, is managed by the Bangalore Jesuit Educational Society (BJES). The Commerce Department was established in the year 1949 and it became an independent college with its own building in Brigade Road in the year 1972.

The college has in its Vision a model for higher education which encourages individuals to dream of a socially just world and in its Mission a strategy to empower individuals in realizing that dream. With an objective of imparting quality education in the field of Commerce and Management, the college has been innovating in all aspects of higher education over a long period of time. These innovations were further bolstered with the granting of autonomous status to the college by UGC in September 2005. From then on, the college has taken a lead in reforming curriculum and syllabus, examination and evaluation pattern, and teaching and learning methods through the Board of Studies, the Academic Council and the Governing Council composed of eminent academicians, industry representatives and notable alumni.

The college has undergone four cycles of NAAC accreditation starting from the year 2000 in which it secured 'five stars', next in the year 2007 an 'A' grade, in the year 2012 again an 'A' grade and recently in February 2021 an 'A++'. It is one of the very few institutions in the country to have secured A++ grade in the fourth cycle under the Revised Accreditation Framework (RAF) and the first college in Karnataka to do so. The college was declared as a 'College with Potential for Excellence' in the year 2010. In 2011, SJCC was recognized as a Research Centre by Bangalore University. The college has consistently been ranked among the top 100 colleges in the country by the National Institutional Ranking Framework (NIRF), Ministry of Education, Government of India, since its inception in 2017.

The college offers diverse programmes in Commerce and Business Administration faculties. Under the faculty of Commerce, it offers B. Com (Regular), B. Com (Professional - International Accounting and Finance), B. Com (BPM - Industry Integrated), B. Com (Analytics), B. Com (Professional - Strategic Finance), M. Com (Finance & Taxation/ Marketing & Analytics), M. Com (International Business) & M. Com (Financial Analytics). Under Business Administration, it offers BBA (Regular), BBA (Entrepreneurship) and BBA (Professional - Finance and Accountancy), BA (English, Psychology & Communicative English) and B.Sc (Economics, Data Analytics and Mathematics) were the two new programmes introduced in the academic year 2022-23. The college also offers five one-year Post Graduate Diploma programmes.

**CHARACTER
FORMATION**

Vision

“Fide et Labore,” meaning “Faith and Toil.” Faith is the commitment to God and fellow beings while Toil represents hard work.

**SOCIAL
CONCERN**

Mission

St. Joseph’s College of Commerce seeks to be a place where academic excellence goes with the cultivation of virtue, and where a community is formed which sustains men and women in their education and their conviction that life is only lived well when it is lived generously in the service of others.

**ACADEMIC
EXCELLENCE**

Motto

To create a just, secular and democratic society, especially in the service of the poor, the oppressed and the marginalized.

About the Department

Department Associations

Vibrant campus and student activities to inculcate the qualities of a business professional in students through competitions and various engaging activities. Students participate in department associations as well as other college associations, sports and college activities.

Enhances professional competence by organizing workshops, seminars, guest lectures, and industry interactions that bridge the gap between academic learning and industry expectations.

Fosters a collaborative learning environment among students pursuing professional courses, encouraging peer mentoring, group activities, and participation in professional events and certifications.

A creative hub for students passionate about writing, journalism, media production and communication. Provides a platform for budding writers, editors, and content creators to express their ideas, enhance their skills, and engage with real-world media practices. Nurtures responsible storytelling and aims to amplify student voices within and beyond the campus.

Guides on the essentials of tackling business case studies, formulating the solutions to the case provided, and professionally presenting the solution with clear thought and ample supporting proof with adequate application of principles and laws from the commercial world.

Case studies cover diverse topics from accounting, finance, marketing, human resources, current affairs to enhance quick logical and practical reasoning.

A student-led social outreach association committed to making a meaningful impact in the community. Rooted in compassion and service, the association works towards creating awareness, supporting marginalized groups, and promoting inclusive development. Encourages students to become socially responsible citizens and agents of change.

Fosters analytical reasoning, logical thinking, and problem solving skills among students and sharpens the intellect through activities that challenge assumptions, encourage structured thinking, and promote evidence-based decision making.

Through quizzes, logic games, and workshops, LogIQ nurtures a mindset of inquiry and reflection that is essential in both academic and real-world contexts.
