St. Joseph's College of Commerce (Autonomous)

163, Brigade Road, Bengaluru - 560 025

Accredited with 'A++' Grade (4th Cycle) by the National Assessment and Accreditation Council (NAAC)

Recognized by the UGC as

"COLLEGE WITH POTENTIAL FOR
EXCELLENCE"

Bachelor of Commerce

[Travel & Tourism] Semester III & IV

Syllabus as per State Education Policy 2024

Curriculum Framework w.e.f., 2024-2025

Academic Year 2025 – 2026 Batch 2024-2027

St. Joseph's College of Commerce (Autonomous)

Affiliated to Bengaluru City University

St. Joseph's College of Commerce (SJCC) was formerly a part of St. Joseph's College, established in the year 1882. The Commerce Department was established in the year 1949 and it became an independent college with its own building in Brigade Road in the year 1972.

The college has in its Vision a model for higher education which encourages individuals to dream of a socially just world and in its Mission a strategy to empower individuals in realizing that dream.

With an objective of imparting quality education in the field of Commerce and Management, the college has been innovating in all aspects of higher education over a long period of time. These innovations were further bolstered with the granting of autonomous status to the college by UGC in September 2005. From then on, the college has taken a lead in reforming curriculum and syllabus, examination and evaluation pattern and teaching and learning methods through the Board of Studies, the Academic Council and the Governing Council comprising of eminent academicians, industry representatives and notable alumni.

The college has undergone four cycles of NAAC accreditation starting from the year 2000 in which it secured 'five stars', next in the year 2007 an 'A' grade, in the year 2012 again an 'A' grade and recently in February 2021 an 'A++'. It is one of the very few institutions in the country to have secured A++ grade in the fourth cycle under the Revised Accreditation Framework (RAF) and the first college in Karnataka to do so. The college was declared as a 'College with Potential for Excellence' in the year 2010. In 2011, SJCC was recognized as a Research Centre by Bangalore University. The college has been ranked 55th in the National Institutional Ranking Framework (NIRF) ratings of Ministry of Education, Government of India, in 2024 and it has been the only institution from Karnataka to make it consistently to the top 100 in the country.

The college offers diverse programmes in Commerce, Business Administration Arts and Science. Under Commerce Studies it offers B.Com, B.Com (Professional-International Accounting and Finance), B.Com (BPM- Industry Integrated), B.Com (Travel and Tourism), B.Com (Analytics), B.Com (Professional - Strategic Finance), M.Com (Finance & Taxation/ Marketing & Analytics), M.Com (International Business) & M.Com (Financial Analysis). Under Business Administration it offers (Entrepreneurship) BBA, **BBA** and **BBA** (Professional-Finance and Accountancy). Under Arts it offers BA (English, Communicative English and Psychology) and Under Science it offers B.Sc (Economics, Mathematics and Data Analytics). The college also offers five one-year Post Graduate Diploma programmes.

The B.Com Department of St. Joseph's College of Commerce has efficiently streamlined all its courses to reflect an interdisciplinary approach to understanding the contemporary business environment. Its aim is to construct a strong foundation in core subjects such as Accounting, Taxation, Economics, Statistics and Auditing along with a choice of Cost Accounting, Finance, Business Analytics, Marketing and Human Resources, studied in the fifth and sixth semester. The courses are challenging, yet, rewarding for students with high aspirations. Our students have been sought after by employers for their excellent knowledge, skills and attitude, giving them an edge over their peers from other institutions.

Objectives of the Programme

- 1. To provide conceptual knowledge and application skills in the domain of Commerce studies.
- 2. To provide knowledge in all the areas of business to be able to meet expectations of Commerce, Trade and Industry.
- 3. To sharpen the students' analytical and decision-making skills.
- 4. To provide a good foundation to students who plan to pursue professional programmes like CA, ICWAI, ACS, CFA and MBA.
- 5. To facilitate students to acquire skills and abilities to become competent and competitive in order to be assured of good careers and job placements.
- 6. To develop entrepreneurship abilities and managerial skills in students so as to enable them to establish and manage their own business establishments effectively.
- 7. To develop ethical business professionals with a broad understanding of business from an interdisciplinary perspective.

I. Eligibility for Admission

Candidates who have completed the two-year Pre-University course of Karnataka State or its equivalent are eligible for admission into this Programme.

II. Duration of the Programme

The duration of the programme is three (03) years of Six Semesters. A candidate shall complete his/her degree within six (06) academic years from the date of his/her admission to the first semester. Students successfully completing three (03) years of the course will be awarded Bachelor's Degree in Commerce (Travel & Tourism) – B.COM- Travel & Tourism .

III. MEDIUM OF INSTRUCTION

The medium of instruction shall be in English.

IV. ATTENDANCE

- A student shall be considered to have satisfied the requirement of attendance for the semester, if he/she has attended not less than 75% in aggregate of the number of working periods in each of the courses, compulsorily.
- A student who fails to complete the course in the manner stated above shall not be permitted to take the End Semester Examination.

V. TEACHING AND EVALUATION

M.Com/MBA/MFA/MBS/MTA graduates with B.Com, B.B.A & B.B.S as basic degree from a recognized university are only eligible to teach and to evaluate the courses including part – B courses of I and II semesters except languages, compulsory additional courses and core Information Technology related courses, Skill based, Value Based and Foundation courses, mentioned in this regulation. These courses shall be taught by the graduates as recognized by the respective Board of Studies.

VI. SCHEME OF EXAMINATION

ACADEMIC EVALUATION UNDER STATE EDUCATION POLICY (SEP) **(EFFECTIVE FROM ACADEMIC YEAR 2024-2025)**

The academic evaluation of both undergraduate (UG) and postgraduate (PG) programmes consists of two components: Continuous Internal Assessment (Formative Assessment) and End-Semester Examination (Summative Assessment).

Assessment for UG Students under SEP will be as follows:

Type of Assessment	Assessment Component	Allotted Marks
Continuous Internal	CIA I (Test)	10 Marks
Assessment / Formative Assessment	CIA II (Skill-based Assessment)	10 Marks
7 toocoontent	Mid-Term Exam	20 Marks
Total	40 marks (scaled down to	20 marks)
End-Semester Examination / Summative Assessment	End-Semester Examination (For three hours duration)	80 Marks
TOTAL		100 Marks

A. Additional Details

• Mid-Term Exam: The mid-term exam covers at least 40-50% of the syllabus

- and has duration of one hour.
- Continuous Internal Assessment (CIA) Activities: CIA activities are designed with clear objectives, modalities, assessment rubrics, and outcomes.

B. CIA improvement

There is **no provision for enhancing CIA marks** for UG students once the semester ends.

Attendance requirement for taking ESE

- The University Grants Commission (UGC) mandates a minimum of 75% attendance in each course to be eligible to write the End Semester Examinations (ESE).
- There is no provision for condonation of attendance under the UGC Act.

VII. Minimum for a pass

- Minimum Pass Marks in Final Examination: A minimum of 40 percent is required in each course in the End Semester Exams. The student must score at least 32 marks out of 80 in the End Semester Examination (ESE).
- Overall Pass Requirement: The aggregate of Continuous Internal Assessment (CIA) and End Semester Examination (ESE) should also be a minimum of 40 percent. Out of 100 marks, a student must secure at least 40 marks in each course to qualify as passed inclusive of minimum 32 marks out of 80 in End Semester Exam.

VIII. Grading System For Choice Based Credit System (CBCS)

The modalities and operational details are given below:

• **Grade Points**: The College adopts a ten-point grading system. The papers are marked in a conventional way for 100 marks. The marks obtained are converted to grade point according to the following table. If a student is absent for the paper the grade point assigned is 0.

%	95 -	90 -	85 -	80 -	75 -	70 -	65 -	60 -	55 -	50 -	45 -	40 -	Below
Marks	100	94	89	84	79	74	69	64	59	54	49	44	40
Grade	10	9.5	9	8.5	8	7.5	7	6.5	6	5.5	5	4.5	0
Point													

Credits: Credits are assigned to courses based on the following broad classification:

Courses Category	Instruction Hours/week	Credits
Languages	3 Hours	3
Major Core	4 Hours	4
Skill Enhancement Courses	1-4 Hours	1-4
Compulsory Courses	1-2 Hours	1-2

Grade point calculation

• Semester Grade Point Average (SGPA): The SGPA is calculated as the sum of the product of the credits and the grade points scored in all courses, divided by the total credits.

SGPA = Total of (Credits Earned X Grade Points) ÷ Total of Corresponding Credits

- Minimum SGPA required for a pass is 4.5.
- If a student has not passed in all courses or is absent, the SGPA is not assigned.
- Cumulative Grade Point Average (CGPA): The CGPA is the weighted average of all the courses taken by a student across all semesters of a programme.

CGPA = \sum Total Credits in the Semester × SGPA ÷ Total Credits of the Courses

Note: SGPA and CGPA will be rounded off to two decimal places.

Interpretation of SGPA/CGPA and Classification of Final Result

Grade Points	% of Marks	Grade	Result/Class Description
9.00-10.00	85 - 100	0	Outstanding
8.00-8.99	75 - 85	A+	First Class Exemplary
7.00-7.99	65 - 75	A	First Class Distinction
6.00-6.99	55 – 65	B+	First Class
5.50-5.99	50 -55	В	High Second Class
5.00-5.49	45 - 50	С	Second Class

4.50 -4.99	40 - 45	Р	Pass Class
Below 4.5	Below 40	RA	To Re-Appear

IX. PATTERN OF ESE QUESTION PAPER UNDER SEP

The End Semester Examination (ESE) question paper under SEP will include questions that assess both Lower Order Thinking Skills (LOTS) and Higher Order Thinking Skills (HOTS). The difficulty level of the question paper will be distributed as follows: 40% easy, 30% difficult, and 30% very challenging.

Duration: 3 HoursMaximum Marks: 80

The question paper pattern will be as follows:

Sections	Marks per Question	Number of Questions	Total Marks
Section A	2 marks	5 questions (out of 7)	10 Marks
Section B	5 marks	4 questions (out of 6)	20 Marks
Section C	12 marks	3 questions (out of 5)	36 Marks
Section D	14 marks	1 question (Case Study)	14 Marks
Total			80 Marks

X. REVALUATION AND RETOTALING

Requests for **revaluation**, **retotalling**, and **photocopies of the answer book** for the End-Semester Examination (ESE) must be submitted to the Controller of Examination along with the prescribed fee within two weeks from the declaration of results.

XI. Absence during End Semester Examination

If a student misses the End Semester Examination, they will be marked as "Absent" and will be required to take the supplementary examination for that course during the next available opportunity only.

XII. Malpractice

Students will be dealt severally in case if they are found guilty of any malpractices during examination. The college has zero tolerance towards any kind of foul means adopted to secure marks in the exams.

PROGRAM EDUCATIONAL OBJECTIVES (PEOS)

Our B.Com (Regular) program will produce graduates who will:

PEO1: Be competent, creative and highly valued professionals in industry, academia, or government.

PEO2: Adapt to a rapidly changing environment with newly learnt and applied skills and competencies, become socially responsible and value driven citizens, committed to sustainable development.

PEO3: Act with conscience of global, ethical, societal, ecological and commercial awareness with sustainable values as is expected of professionals contributing to the country.

PEO4: Able to continue their professional development by obtaining advanced degrees in accounting and other professional fields.

PROGRAMME OUTCOMES (PO'S)

After the completion of the **B.Com** (**Regular**) Programme, the student will be able to:

PO1: Disciplinary and Inter - disciplinary Knowledge

Demonstrate the **understanding** of relevant business, management and organization knowledge, both academic and professional, in line with industry standards.

PO2: Decision making Skill

Apply underlying concepts, principles, and techniques of analysis, both within and outside the discipline to generate all the possible solutions and picks one that shows their understanding of the problem and the outcomes.

PO3: Integrated problem-solving and Research

Analyze how parts of a whole interact with each other to produce overall outcomes in complex systems by analyzing key managerial issues in a particular industry or company and propose appropriate managerial solutions to the situation

PO4 Critical thinking Skill

Evaluate evidence, arguments, claims and beliefs by using right type of reasoning as appropriate to the situation and Analyze how parts of a whole interact with each other to produce overall outcomes in complex systems

PO5 Creative thinking Skill

Develop, implements and communicates new and worthwhile ideas using both incremental and radical concepts to make a real and useful contribution to their work

PO6: Usage of Modern Technology and Tools

Use tools and technologies of digital nature, communication/networking tools and social networks appropriately to access, manage, integrate, evaluate and create information to successfully function in a knowledge economy

PO7 Leadership and team work

Develop a vision, translate that vision into shared goals, and effectively work with others to achieve these goals.

PO8 Ethical Conduct & Sustainability Practices

Act responsibly and sustainably at local, national, and global levels

PO9 Collaboration & Networking Skill

Work collaboratively and respectfully as members and leaders of diverse teams

PO10 Self-directed and Life - Long learning

Create goals and monitor progress toward them by developing an awareness of the personal, environmental and task-specific factors that affect attainment of the goals.

Programme Specific Outcomes (PSO's)

PSO11 Design / Develop Solutions

Design solutions for complex tourism related problems and develop processes that meet the requirements of the changing Travel & Tourism Industry.

PSO12 Developing Industry Related Expertise

Apply the discipline specific, particularly entrepreneurial skills required to establish a successful career in the fields of travel, tourism and hospitality.

Risk Management: Risk Management Identifying and assessing supply chain risks, Strategies for risk mitigation and crisis management. **Skill Development:** (These activities are only indicative, the Faculty members can innovate) Analyze a real-world supply chain case study and present findings on challenges and strategies implemented. Conduct role-playing exercises simulating negotiations between suppliers and 2 buyers, focusing on communication techniques. 3 Utilize simulation software or board games to manage logistics, inventory, and demand in a competitive supply chain setting. Conduct market research on a particular industry's supply chain trends and 4 present findings to the class. 5 Set up a mock inventory management scenario for deciding on stock levels and order quantities. 6 Organize visits to local warehouses, distribution centers, or manufacturing plants for hands-on insights. 7 Create a visual map of a supply chain for a specific product, identifying key players and processes. 8 Propose a sustainable supply chain solution for a selected company, focusing on reducing environmental impact. **Book for Reference:** Chopra, S., & Meindl, P. 	Department of Commerce					
Programme: B.Com [Travel & Tourism]						
Semester	Course	Course Title	Course	Course	Teaching	Credits

	Code		Duration	Type	Hours	
					Per week	
III	C2 24 SB 301	Introduction to Spreadsheets	30 Hours	Skilled based	2	2
		F		course		
Course Obi	iective:					

This course aims to equip students with the tools and skills needed to leverage spreadsheets effectively for making data-driven decisions in a wide variety of business contexts.

Course	Outcomes	T Levels	K Levels
After co	mpletion of the course, the students will be able to:		
CO1	Demonstrate proficiency in using Excel for data entry,	T4	K4
	formatting, and organizing data using workbooks, sheets,		
	and referencing techniques.		
CO2	Apply various Excel functions, including mathematical,	T5	K4
	statistical, string, and financial functions, to perform complex		
	data computations and analyses.		
CO3	Create visually appealing data representations using charts,	T4	K4
	graphs, pivot tables, and interactive dashboards to enhance		
	data interpretation.		

Module 1 Working with Spreadsheets

10 Hours

Origin and Importance of Excel in Data Analysis - Workbooks and Worksheets, Ribbon tabs, Using Shortcut Menus, Working with Dialogue Boxes, Task Panes, Exploring Data Types, Modifying Cell Contents, Comparing sheets side by side, special types of cells, Paste Special dialogue box, Adding comments to cells.

Formatting tools on the Home tab, Mini Toolbar, Fonts, Statistical Functions, Text Functions, other functions, Colors and Shading, Borders and Lines, conditional formatting, Working with tables, Selecting parts of a Table, Sorting and filtering a table, Converting Table into Range.

Module 2 **Mastering Advanced Spreadsheet Techniques**

10 Hours

Excel Functions - Mathematical Functions: SUM, AVERAGE, COUNT COUNTA, MIN/MAX, SQRT, POWER, LCM, COMBIN and PERMUT. String functions: LEN, LEFT, MID, RIGHT, CONCAT, TRIM, UPPER, LOWER, PROPER, Date Functions, Random number generators: RAND and RANDBETWEEN, Conditional functions: IF, NESTED IF, SUMIFS, COUNTIFS, and AVERAGEIFS, Data Handling Functions: VLOOKUP, HLOOKUP. Financial functions: PMT, PV, RATE, NPER. What if Analysis: Goal Seek, Scenario manager, and Data table (one way and two way).

Module 3 Visualization

10 Hours

Creating charts, Pie, Line, Bar, histogram, Boxplot, Scatter plot, data bars, waterfall charts, Area charts, Dynamic Charts, and other charts, Legends ad formatting wit charts, Labeling carts, 3D charts, Sparkline, Time series plot, Score Cards. Interactive Dashboard Development: Pivot Table, Pivot Chart and Slicers.

Skill Development: (These activities are only indicative, the Faculty members can innovate)

1	Prepare and analyse the attendance data set of your organisation.
2	Prepare an expense tracker, analyse and present the data with visualsiation tools.
3	Analyse a dataset in regard with company's performance, profitability.
D . 1 C . D	C

CO3	M	L	L	L	M	Н					Н	M

Department of Commerce Programme: B.Com (Travel & Tourism)											
Semester	Course Course Title Course Course Type Teaching Cred										
	Code		Duration		Hours Per						
					week						
III	UG 24	Environmental	45 Hours	Compulsory	3	2					
	CC 301	Studies		Course							

Course Objective:

The course is structured to create awareness, enhance knowledge, and develop skills related to environmental conservation and sustainability.

Course	Outco	T Levels		K				
After c	After completion of the course, the students will be able to:							
CO1	Identify the environmental factors that determine sustainable T3 K3							
	deve	lopment and describe an ecosystem along with its many						
	comp	ponents.						
CO2	Identify the various natural resources and analyse the impact of T3							
	their degradation.							
CO3	CO3 Describe the different types of environmental pollutions, causes of				K3			
	climate change and the various environment protections laws.							
CO4 Analyze the impact of population growth on the environment and					K3			
the various rehabilitation measures using case studies								
Modu	Module 1 Introduction to Environmental Studies				Iours			

Introduction to Environmental Studies: Multidisciplinary nature of environmental studies, Scope and importance; Concept of sustainability and sustainability development, SDG Goals

Ecosystem: Structure and function of ecosystem; Energy flow in and ecosystem: food chains, food webs and ecological succession.

Terrestrial Ecosystems: Forest ecosystem, Grassland ecosystem, Desert ecosystem,

Aquatic ecosystems; ponds, streams, lakes, rivers and oceans.

Module 2	Natural 1	resources: Renewable and Non-Renewable Resources	13 Hours

Land resources: Land-use and land cover change; Land degradation, Soil erosion and desertification.

Forest Resources: Types and scope; Deforestation: Causes and impacts due to mining, dam building on environment, forests, biodiversity, and tribal populations.

Water Resources: Use and over-exploitation of surface and ground water, floods, droughts, conflicts over water (international & inter-State

Energy Resources: Renewable and non-renewable energy sources, use of alternate energy sources, growing energy needs, case studies.

Biodiversity and Conservation: Levels of biological diversity: Genetic, species and ecosystem diversity; Biogeographic zones of India

Biodiversity patterns and global biodiversity hot spots. India as a mega-biodiversity nation; Endangered and endemic species of India.

Threats to biodiversity: Habitat loss, poaching of wildlife, man- wildlife conflicts with case studies, biological invasions; Conservation of biodiversity: In-situ and Ex-situ conservation of biodiversity.

Module 3	Environment Pollution	13 Hours

Environmental Pollution – Types, causes, effects and controls, Air, Water, soil and noise pollution, nuclear hazards and human health risks

Solid waste: management and control measures urban and industrial waste with case studies

Environmental Policies and Practices: Climate change, global warning, ozone layer depletion, acid rain and impacts on human communities and agriculture

Environmental Laws: Environment Protection Act, Air (Prevention and Control of Pollution) Act, Forest Conservation Act, International agreements, Montreal and Kyoto protocols and Convention on Biological Diversity (CBD)

Nature reserves, tribal population and rights and human wildlife conflicts in Indian context

Module 4 Human Communities and Environment

10 Hours

Human population growth, Impacts on environment, human health and welfare, Resettlements and rehabilitation of project affected persons, case studies

Disaster management: Floods, earthquake, cyclones and landslides with case studies Environment movements: Chipko, Silent Valley, Bishnois of Rajasthan

Environmental Ethics: Ecological, economic, social, ethical, aesthetic and informational value. Role of Indian and other religions and cultures in environmental conservation Environmental communication and public awareness, case studies- CNG vehicles in Delhi

Field work - Field report to be submitted

TICIC WOLL	Ticia report to be submitted									
Skill Develo	pment: (These activities are only indicative, the Faculty members can innovate)									
1	Visit to an area to document environmental assets: river/forest/flora/fauna, etc									
2	Visit to a local polluted site- urban/Rural/Industrial/ Agricultural									
3	Study of common plants, insects, birds, and basic principles of identification									
4	Study of simple ecosystems - pond, river, lake etc.
