# BACKGROUND OF THE INSTITUTIONS

## ST. JOSEPH'S COLLEGE OF COMMERCE

St. Joseph's College of Commerce, formerly a part of St. Joseph's College was established in the year 1882 as an educational initiative by the French foreign mission Fathers. In 1937, the management of the college was handed over to the Jesuits, a worldwide Catholic religious order with a special focus on education. Loyola College, Chennai, St. Xavier's College Calcutta and St. Xavier's College Mumbai are the other premier institutions in India run by the Jesuit Order. The Department of Commerce was established in the parent college in 1949. In 1972, this department became an independent college under the name St. Joseph's College of Commerce. It is recognized under Section 2(f) and 12B of the UGC Act. It became an autonomous institution in October 2004. St. Joseph's College of Commerce was recognized as a "College with Potential for Excellence" in February 2010 by UGC.

The motto of the College is 'Fide et Labore' ('Faith and Toil'), which serves as an inspiration behind the vision and mission of the college to give shape to a society full of all-inclusive minds to cater to the inherent diversity of our country. From the beginning, the College has been striving to be a state of the art institution for commerce education. The thrust has been on transforming commerce a multi-dimensional academic field. Currently it enjoys an A++ grade with the National Assessment and Accreditation Council (NAAC). The college has been proactive to the significant changes and developments in the domain of higher education as well as business and commerce.

## DEPARTMENT OF COMMERCE

The B. Com Department of St. Joseph's College of Commerce has efficiently streamlined all its courses to reflect an interdisciplinary approach to understanding the contemporary business environment. Its aim is to construct a strong foundation in core subjects such as Accounting, Taxation, Economics, Statistics and Auditing along with a choice of Cost Accounting, Finance, Business Analytics, Marketing and Human Resources, studied in the fifth and sixth semester. The courses are challenging, yet, rewarding for students with high aspirations. Our students have been sought after by employers for their excellent knowledge, skills and attitude, giving them an edge over their peers from other institutions.

## CONCEPT NOTE

In today's fast-paced business environment, the strategic integration of digital technologies is no longer a choice but a necessity for ensuring long-term success and sustained growth. Businesses that effectively leverage digital integration strategies can enhance operational efficiency, foster innovation, and stay competitive in an ever-evolving market. Digital Integration Strategies encompass the deliberate and comprehensive adoption of digital elements across various facets of business operations, culture, and overall organizational structure. Implementing a holistic digital integration framework is crucial for businesses seeking comprehensive transformation. This involves aligning digital initiatives with overall business objectives and ensuring that all departments and functions are interconnected. A well-designed framework promotes collaboration, efficiency, and adaptability across the organization. This conference will explore the key components and best practices associated with digital integration, providing insights for businesses aspiring to achieve enduring success.

## OBJECTIVES

- Help researchers and practitioners to understand the various challenges encountered and solutions adopted for digitalization of business operations.
- Create a platform for the researchers to exchange and share their ideas on all aspects of digitalization for business operations.
- Bring together leading industry leaders, academicians, and research scholars to share their experiences and research insights from different management domains.

## OUTCOMES

Through this conference, researchers and scholars will have the opportunity to contribute to the academic discourse, inspire new research directions and establish fruitful collaborations. The academic community as well as industry professionals and policymakers, will benefit from the conference outcomes, leading to further advancements in the field of digital integration.
