ORIENTATION OF POST GRADUATE AND POST GRADUATE DIPLOMA PROGRAMMES

Orientation of PG 2nd year

"With the new day comes new strength and new thoughts."

- Eleanor Roosevelt

The orientation for the academic year 2018-2019 was held for the second year post-graduate students on 6th June, 2018. The orientation was a prompt reminder of the values the college aims to instil in its students.

The Orientation Program was held at Loyola Hall. The programme began with a prayer by the students, commencing the academic year on a positive note. The students were then addressed by the director, Rev. Fr. Prashant Madtha, SJ, who emphasized on diversity in the campus. The principal, Dr. Nirmala Joseph, then addressed the gathering and gave in very vital inputs on classroom behaviour and etiquettes. She also laid emphasis on how important it is to clarify one's queries in the class, as it expands one's horizon of thinking. We then had Ms. Komal Dave, the placement coordinator, who gave us plentiful insights on the placement procedures for postgraduate students in the campus. She also emphasized on the importance of an updated resume. Dr. Shubhra Rahul, HOD - PG department, welcomed the students to the new academic year. She also laid down the rules and regulations the students are meant to follow. The IQAC cell is of great importance at SJCC. They look into quality of teaching and work for the holistic development of Josephites. We were also privileged to have Ms. Shivakami Rajan, the IQAC coordinator, address the gathering on various functions the cell performs. She also introduced to the students, a new addition to the cell, the SQAC, which encourages inputs and suggestions from the students to improve the teaching quality of the campus. We then had Mr. Mohammed Ashfaque, coordinator for the post graduate diploma courses, who then gave us insights on dual specialisation that are available for the students, and also introduced new courses that are available from this year. We then had the Vice Principal, Ms. Ravi Darshini, who enlightened the students about the organisation structure of the college and the BJES, under which the college forms a part of.

With this, the orientation programme for the second year post-graduate students concluded, creating a significant impact on the students of the college and

motivating them to inculcate the values of faith and toil.

Orientation of PG 1st year

"Real education enhances the dignity of a human being and increases his or her self-respect. If only the real sense of education could be realized by each individual and carried forward in every field of human activity, the world will be so much a better place to live in."

-A. P. J. Abdul Kalam

With this, the orientation for the academic year 2018-2019 was held for the first year post-graduate students on 7th June, 2018. The programme began with a graceful dance performance by the second year students, welcoming the students. The ceremony then struck a note of solemnity by a prayer, commencing the academic year on a positive note. This was then followed, by the lighting of the lamp by the director – Rev. Fr. Prashant Madtha, the Principal – Dr. Nirmala Joseph, the Vice Principal – Ms. Ravi Darshini, HOD of the PG Department – Dr. Shubhra Rahul, and a student representative from the college.

The students were then addressed by the director, Rev. Fr. Prashant Madtha, SJ, who emphasized on diversity in the campus. The principal, Dr. Nirmala Joseph, then addressed the gathering and gave in very vital inputs on classroom behaviour and etiquettes. She also laid emphasis on how important it is to ask questions in the class, as it expands one's horizon of thinking. We then had the Vice Principal, Ms. Ravi Darshini, who enlightened the students about the organization structure of the college and the BJES, under which the college forms a part of. She also helped in acquainting the students with the faculty of the Post-Graduate Department and the higher administrative and management echelon of the institution. Head of the Department Dr. Shubhra Rahul then welcomed the students to the institution, and gave everyone, a clear cut, precise yet brief overview about the institution, the course structure, the key underlining rules to be practiced, the examination process, and the overall guidelines and principles, that are to be meticulously followed, by

one and all. We then had Ms. Bindhu Subhash, counsellor for the PG department, who then briefed the students about the counselling sessions the students were to undergo. After this, Mr. Mohammed Ashfaque, coordinator for the post graduate diploma courses, gave the students insights about the diploma programs the students are meant to undertake during their academic year, and also introduced new courses that are available from this year.

This brought an end, to the orientation for the PG batch at the St Joseph's College Of Commerce, leaving the students to embark on another thrilling enterprise – to write a whole new chapter in the history of The St Joseph's College Of Commerce, with an equal measure of faith and toil.

Orientation of Post-Graduation Diploma

On 30th June, 2018, the students of 1 M.Com and 1 M.Com (IB), along with external students gathered together for the orientation of Post Graduate Diploma. Through the courses offered, the students are expected to gain knowledge through experiential learning and professional experts of the subject matter.

The programme began with the esteemed dignitaries gathering in the Post Graduate AV room. The diploma programme for the academic year 2018-19 began with a prayer by post graduate choir, seeking blessings for a fruitful year. This was followed by the lighting of the lamp. After the lighting of the lamp, Father Prashant addressed the students, reminding them about the core values of the institution. The

programme then continued with the vice principal, Ms. Ravi Darshini, addressing the gathering. In her speech, she emphasized on the importance of the course, which, for many students, will act as a value addition to their respective degrees. This was followed by a talk by the HOD of the Post Graduate department, Dr. Shubhra Rahul. In her speech, she spoke about the rules and regulations, and dress code that had to be maintained during the classes. After this, Mr. Ashfaque explained the details of the 12-month course. In the end, the PG coordinator, Ms. Lynet Malvika gave a vote of thanks. After this, the students dispersed to their respective classrooms and classes resumed, thus marking the beginning of the Post Graduate Diploma course for this academic year.

SEMINARS CONDUCTED

Experiential Training Programme

A one week training programme was being conducted for the second years of M.Com regular and M.Com (IB) students. M.Com students and M.Com (IB) students, had their training scheduled from 9th July – 14th July. The main objective of this programme was to give an insight and give an overview to the students in preparing their dissertation which is part of their course structure.

Everyday a two hour session was conducted by our own faculty members – Dr Shubhra Rahul, Dr Raja Jebasingh, Dr Himachalapathy, Dr Deepika Joshi, Dr Sridhar and Dr Hariharan. Various topics were covered by them, for example how to start with the Research, the Research Problem, Review of Literature, the tools to be used, and importance of SPSS Software. The five day training provided some very helpful information henceforth which the students took their first step towards preparing their dissertation.

One-day National Seminar: Rethinking Business Practices in Global Scenario

The one-day National seminar was held at St. Joseph's College of Commerce on the 11th of September 2018 in collaboration with ICAI.

The inaugural ceremony was begun in Loyola Hall by introducing the college, after which a splendid welcome dance by Ms. Sushmitha (II M. Com regular) was witnessed. Prayer is said to be the most powerful element, Crescendo the PG choir took offered a fabulous prayer service to begin the day faithfully. Lighting of the lamp was manifested by the dignitaries for the day. Dignitaries of the day were escorted by the PG coordinator Ms. Lynet Malvika, CA Shravan Guduthur, chairman of ICAI for Bangalore branch, and the Chief Guest for the occasion. The gathering was welcomed by the Principal Ms. Nirmala Joseph with a few insights about artificial intelligence. The Directors speech was short and sweet with a powerful message, "Choose what your heart sins." The concept note was briefed by Ms. Shubra Rahul, HOD of the PG department. The inaugural ceremony was lastly articulated by Ms. Deepika Joshi with her vote of thanks on behalf of the college and the PG department.

SESSION 1

TOPIC: Trends in accounting policies and their impacts

SPEAKER: CA Asha M, Accounting Advisory Services, KPMG

The young and energetic speaker took the students through the changing dynamic regulations and changes in accounting. She also briefed us on recent trends in accounting with relation to artificial

intelligence. She emphasized on how artificial intelligence can never replace human intelligence.

Ms. Asha also spoke about interesting concepts like Personal Data Privacy Act, Companies Act amendments, Insolvency and Bankruptcy code's complexity and difficulty bin implementation. She briefed us on how e-accounting and how the transition from maintaining ledger books to maintaining accounts online has changed. Cashless economy and digitalized transactions change the way accounting transactions are recorded. She also emphasized on the new revenue standard which has made changes in revenue recognition of businesses all over. She asked us to constantly remain updated about the changes in the commerce regime.

She concluded by saying don't forget to think in the process of rethinking. Aim high! Dream big! You can always win.

SESSION 2

PART A:

TOPIC: Insolvency and Bankruptcy Code, 2016.

SPEAKER: Mr. Vinod Sunder Raman, Practicing Companies Secretary, Insolvency professional

In the first part of the second session of the seminar, Mr. Vinod Sunder Raman told about what insolvency is, how its accounting is done and its 2 Acts namely; Presidential Amendment Act and Provisional Amendment Act. He also talked about Bankruptcy, differences between Insolvency and Bankruptcy. He told the reasons why there will be defaults during repayment and also

told some remedies for it too. He taught us some new concepts like DRT, RDDBFI etc. He talked about the drawbacks of existing systems. He taught us about how to apply for Insolvency and Bankruptcy code. Corporate Insolvency Resolution Process was also talked by him. He told about the time limit and orders on admission. In Bankruptcy he talked about liquidation, liquidators and secured creditors. He also spoke about fast track insolvency too. He finally told about the career opportunities as an Insolvency Professional.

PART B:

TOPIC: Real Estate Regulation and Development Act 2016 (RERA)

SPEAKER: Ms. Shilpa Kiran, Practicing Companies Secretary, Insolvency professional

Ms. Shilpa started the second part of the second session by telling a kannada quote; ”MADUVE MADINODU MANE KATTINODU” which means Do a marriage and see and construct a house and see. Firstly she started about the issues faced in real estate industry. She told about when the Real Estate Act came into force i.e., in May 2016. She talked about what agreements it has made and its intermediaries. She also talked, in detail, about the Act, its evolution, its importance, objectives, establishment of Real Estate Regulatory Authority, the scope covered, and their implications in the real estate industry.

In addition to this, she also explained the basic terminologies like Carpet area, promoter, etc., which made us understand the Act better.

SESSION 3

TOPIC: Controls in virtual financial systems and forensic audit

SPEAKER: CA Anand Jangid, Partner, AJA & Co.

After the introduction to the session by Shraddha, Mr. Anand took the class. He basically talked about big challenges in finance and accounting which are nothing but bad debts, frauds etc., and also the process is centralized.

According to him the solution to the problem is Blockchain Technology. There are basically 13 intermediaries involved in the simple process of payment, but this blockchain technology will eliminate these intermediaries. He talked about how having a centralized system can make hacking easy because everything is at one place, there comes the need of decentralization. For that he talked about new virtual financial system which is nothing but distributed decentralized ledger. He also told that block chain is nothing but distributed ledger where it can be seen and kept everywhere. The distributed ledger can contain any type of financial and non-financial transactions. He also told that even though decentralization and distribution are sounding same but they are not. Decentralization basically mean not controlled by single entity whereas distributed means that everybody has ledger. He also talked how it is protected with the help of cryptography and digital signature and the entries are hard to change. As per him the block chain is basically the pages in a book. He told us an example of a construction industry where there may be six parties of interest keeping six books of accounting where block chain helps it to be a one book of accounting where everybody can post.

In a nutshell he said that the block chain is the combination of shared ledger, cryptography, consensus and shared contract. He also told the demerits of block chain as well which includes huge data entry, quantum computing can help for the people to hack the information.

He gave an example of Ripple where money transactions takes less amount of time and less amount of money compared to traditional banking transactions. But the problem of the auditors is how to audit the block chain transactions. They are still concentrating on challenges in of the question how? He also talked about the traditional contract vs. smart contract. As the end of his session he concluded saying that the block chain technology is going to change the way we think. At 4.15pm the seminar reached its conclusion with the valedictory, which was anchored by Jonathan. Dr. Himachalapathy gave the token of appreciation to Mr. Anand. And later on the vote of thanks by Ms. Lynet, coordinator, post graduate department.

AGAMYA 2019

AGAMYA 2019, the national level student seminar themed "*PIONEERING BUSINESS PRACTICES FOR A GLOBALISED TOMORROW"*, was kick started with the inaugural ceremony. The Vice Principal, Ms. Ravi Darshini welcomed the gathering and addressed the students on importance of changing technology. Dr. Shubhra Rahul, our head of the department delivered the concept note of the seminar. A video was screened in the ceremony, which depicted the theme of the seminar. A book with selected papers from the conference was also launched by the dignitaries. The keynote Speaker and the Chief Guest Mr. Vijay Singh Rathore from Inner Wave addressed the audience. Sir spoke about emerging technologies, investment opportunities, FDI, Fintech, artificial intelligence and so on. The session was very interactive and crisp. Sir also spoke about ease of doing business. The inaugural ended with a closure note by the Student Co-ordinator Ms. Lynet. The participants were then guided to make presentation of the research paper. Human Resources, Marketing, Finance and General Business were the 4 tracks for paper presentation. The Chairs of the session provided feedback after each presentation and the presenters were awarded a certificate of presentation in the valedictory.

INDUSTRIAL VISITS

1 M.Com

The industrial visit to Mysore sandal soap factory and various other small and medium scale industries was organized on16th august 2018 for 1M.Com (regulars).

The R&D head explained the various products available and the methodologies used in the process of preparing various soaps and other products and then later various plants and trees used in manufacturing of soaps and other products. We were taken to the manufacturing unit and they explained the process through which soaps are manufactured and then they also explained us about the placements and internship programs available.

Post lunch we were taken to various small and medium scale enterprises in and around Peenya. The MSME's that we visited were the manufacturers of various small components of cars and bikes. The products that they manufactured were like screws, nails, door-fixtures, bolts etc.

2 M.Com

The students of II M.Com (Regular) went for an industrial visit on to Mysore. The industrial visit to Mysore silks sandalwood oil division of KSDL was organized on 20th August, 2018. The process of how strands of silk are made into the cloth materials, especially sarees that Mysore silks are known for were explained to the students. There, we were able to take a look at different processes involved like twisting, warping, weaving, pinning, dyeing and ironing, leading to making of sarees, of range up to lakhs of rupees. We were able to understand the process better, and were able to identify the sources of materials, such as the silk cocoons from

Ramanagara, and gold thread from Surat. Later in the sandalwood oil division of KSDL, we were explained how sandal, a semi-parasitic plant has so many useful, from the immature wood, to the charred sandal, and also how oil is extracted from the sandalwood.

1 M.Com (IB)

On the 21st of August 2018, the students of 1st MIB had an opportunity to visit KSDL (Karnataka Soaps and Detergent ltd.), one of India's monopolistic soap manufacturing unit nestled amongst a hub of industries in Bangalore. The eager lot were welcomed at the site by one of the R&D personnel. The students took a tour of the plant after a brief on the company's history, facts and operations.

The heritage passed on by his Royal highness Krishna Raja Wadiyar IV during 1916 which was

then engineered by Sir M. Visvesharaiah. The class then headed to visit few small scale industries which dealt with the manufacturing and coating of spare parts. Students had the opportunity to experience the working condition of small scale industry workers. The day ended with a lot of fun and experiential learning.

1 M.Com (FA)

On 28th August 2018 the first year students of M.Com financial analysis went to their industrial visit to the Mysore sandal soap factory here in Bangalore Yeshwanthpur. There the factory employee showed us around the factory and the premises. There we came to know how Mysore sandal soap is made and also many varieties of the Mysore sandal soap that is made.

Later on we visit the industrial town in Rajajinagar around 1.15pm. In this place there are many small scale industries are situated where they produce small industry items that would be used in large scale industries as their components. The some products that were produced are nut and bolt, parts for clutch and breaks. They told that these items will used by the companies as raw materials in the manufacturing. And these small scale industries are promoted by Government.

RURAL EXPOSURE CAMP

1 M. Com

The students of 1st M.Com left Bangalore on 29th October, 2018 night to Raichur for their rural exposure. We reached Raichur station around the next morning around 10 am. We were taken to Loyola campus in Manvi. After which a small orientation about the rural camp was given. That evening we were taken to a small village about 25kms from Manvi called Pannur.

We were asked to stay along with the villagers in their houses. We were 40 students divided into 20 groups of 2 students each. Each group was allotted to one self-help group member. We had planned to have some games and programmes for the village children that evening. That evening we had lots of games and programmes for the children and we distributed Chocolates as well.

We had organised various games like kabaddi, tug of war, bombing the city etc. The prize for the same were distributed after the event. A few programmes like dance and role play based on girl child awareness were put up by us for them. On the last day of the camp we left Manvi. We had an evaluation session at Loyola campus with the priests and we headed back to Bangalore that night.

1 M.Com IB

The students of 1st M.Com I B travelled to Manvi, Raichur on the 9th of November.

The day started with gardening where the girls and boys worked on loosening soil for saplings. This was the morning routine on all days. The students interacted with the kids in Loyola School. During free time games were planned for the kids and adults in Haravi, a small village in Manvi. A cultural show was put up for the villagers. There was also play to create awareness on hygiene, cleanliness and women empowerment. There was an evaluation on the last day and had a discussion on the experiences. The students returned to Bengaluru on the 14th of November, 2018 morning with tons of memories.

1 M.Com (FA)

The class of 1st M.Com FA went for their outreach programme in Pannur, Maanvi, Raichur district. It was a three day camp starting from 3rd November 2018 to 8th November 2018. On 4th we reached Raichur. Once we reached Pannur, our class was split into 3 group, where each group went to different village and spent their 3 days there. The team A consisting of 20 people went to Ramathanal. The team B went to Jalwadgi. The team C went to Sagar camp. The teams interacted with the village residents on the first two days.

Teams A and C put together a village map explaining various aspects as well as identifying the issues faced by them, while team B, on the second day, conducted a meeting with self-help groups and talked to them about the problems they face and solutions for them. During the evenings of the first two days, however, all the teams performed similar activities in their respective camps. The teams conducted games for the children of the village on the first day, while on the second day each team conducted cultural programmes for the people in the village.

GUEST LECTURES FOR THE ACADEMIC YEAR

Throughout the academic year several guest lectures were organized by the departments to enlighten the students on various topics by industrialists, academicians and others.

7. **A Lecture on Finmark by Mr. Glenn and Mr. Sivaram held on 12th February, 2019**

.

Mavericks and other Department Activities

Elections of class representatives

The elections for academic representative for the year 2018-19 were held in the respective classes of the Post Graduate department. The elected representatives officially took over their position and were presented their respective badges in the investiture ceremony, held on 27th June. The elections for the first year students were held in the 11th June, 2018, while that for the 2nd year students were conducted 5th June, 2018. The elected representatives were:

1st M.Com Regular – Sherin Raj A

1st M.Com FA – Zainab

1st M.Com IB – Victor Prashanth Kumar, Aishwarya

Mavericks Orientation

On 12th June 2018, the 1st year students were oriented regarding the activities conducted during mavericks. The students were informed about the various platforms through which they will be able to channelize their areas of interest and improvise. The heads of the respective associations i.e. finance, HR, marketing and general business, and representatives were the 2nd year students for the co-curricular activities such as cultural, sports, editorial etc. briefed the students about the various activities that were conducted last year. The students were also given a brief idea regarding the rural visit, following which there were interactive activities conducted i.e. quiz and ice breaker. The other activities held during mavericks session are:

World music day Celebration

21st June, the day on which music meets yoga .Yes, exactly on the longest day of the year we celebrate the world music day and International yoga day. As a part of the celebration of world music day, our college's choir team had planned a surprise performance in each class and as a surprise the choir team entered each class and gave a wonderful melodious performance by which all the students were extremely happy.

International Yoga Day Celebration

On June 21st, the PG Department celebrated INTERNATIONAL YOGA DAY.

Mrs. Bhuvaneshwari, a bubbly speaker portrayed each and every aspect of the importance of yoga and how to make good use of a minimum of ten minutes of our day.

She started the session by telling the benefits of yoga, performing basic exercises like rotation of eyes and arm rotation. She also thought a few breathing exercises to manage/reduce weight. Amongst which she gave a list of home remedies to cure various health issues. The session concluded with all the students performing few simple asanas.

Celebration of Dalai Lama's Birthday at St. Joseph's College Of Commerce

The eighty-third birthday of His Holiness the Great Fourteenth Dalai Lama of Tibet, the 15th Kashag and Tibetans everywhere join millions of admirers across

the globe in wishing His Holiness good health and a long life.

As a part of gratitude, sharing their boundless love towards Dalai Lama, all the Tibetan students share kindness and impart love to all the people of St. Joseph College Of Commerce present on that day.

On 6th July 2018, The Tibetan students of St. Joseph College of Commerce dressed traditionally and had a warm welcoming smile on their face. Sweets were distributed to all without any discrimination. During the lunch session, all the Tibetan students came together, danced to their traditional song and showered the joy of celebration to all of us.

Sustainable expo

On August 14th 2018, the PG department, as part of mavericks, conducted a sustainable project Expo where each class has to make posters based on the topic sustainable development. From 2 PM to 4 PM, each class was making their posters. From each class we can see team spirit as well as unity in making the posters. Everyone in the class were contributing to their posters. We came across the various creative idea about the classes as well as the individuals. After the posters making, each class posters were hanged in the walls of dept., where we can see the creativity and new ideas.

Quiz Competition

On 18th September 2018 at 2pm in Xavier hall, the finals of the quiz were conducted as a part of the last Mavericks event for the semester. The four teams selected from the prelims round were the teams participated in the final round. The quiz was conducted by the quiz master, Dr. Karunakaran. At the end of all the questions the winner were declared. The students of 2 M.Com (FA) and 2 M.Com won the first and second prizes respectively.

Sports Day

On 8th December 2018 the college conducted the sports day. The students had participated in flag competition and march past. Each class had to march past for the sports day. The two groups of Post Graduate students had participated in the sports, where each group had their theme and their flag. One group consists of students from 2nd M.Com regular, 1st M.Com regular and 1st M.Com FA, went for the theme 'Not all superheroes wear cape: a tribute to pourakarmikas'. The other group, consisting of 2nd M.com IB and 1st M.Com IB, chose their theme as 'Support for national sport'. Each group made their own flags based on their respective themes. The students of each group wore their matching hoodies and shirts respectively. Overall it was an amazing experience.

The joy of giving

The joy of giving was celebrated by the Post Graduate department on 17th December 2018, bringing children from Gerizim Rehabilitation Trust, Ejipura. There were colourful, energetic and charismatic performances for the children. There was a magic show for kids followed by all children and students dancing and enjoying.

SPORTS CHAMPIONS OF PG DEPARTMENT

HOCKEY CHAMP

Captain of the SJCC Hockey team, Bopaiah from 1st MIB has represented Karnataka in the national level and also played at the state level several times. He describes his happiest moment as the time he led his team to win the state championship and the title was there's after 14 years. Recent achievements as Captain for the year 2018-19 are: *Chripo champions, Sapient champions and SPIEL CHAMPIONS*
