## The College Crest

The Crest is to an Institution what the insignia is to a military general. It symbolizes its ethos, status and purpose.

The Crest of St. Joseph's College of Commerce has two scrolls - one above, on which is inscribed the motto of the Institution in Latin -**Fide et Labore**, meaning '**By Faith and Toil**', and the other beneath, with the name of the Institution. A shield at the centre bears the Cross which is symbolic of the Christian faith; and the two bees on either side of the lower part of the Cross are an expression of tireless work. Further the palm leaves encircling the shield are a call to victory, and the crown above, the crown of glory.

The College Motto is **Fide et Labore** which means '**By Faith and Toil**'. Faith, among other things gives a person commitment to God, to his fellow beings and to intellectual pursuits. Toil is the necessary prerequisite for success.

## **Curriculum - Evaluation**

Examination Unit: The Principal heads the Examination unit. The Controller of Examinations (COE) is the coordinator of the entire assessment system. The other members of the Examination Committee are nominated by the Principal.

Evaluation System: Evaluation of PG and UG programs consists of two components, viz., Continuous Internal Assessment (CIA) and End Semester Examination (ESE). The following rules are common for both UG and PG programs.

1. Continuous Internal Assessment (CIA) includes a centrally organized MID TERM TEST and other exercises administered by the teacher such as Unit test/Online test/Snap test/Surprise test/Quiz/Assignment/Presentation /Project/Research article/Seminar etc.
2. All answer scripts of CIA tests will be returned to the students. They are expected to file them. If there is any ground for appeal regarding the marks allotted in any component of the CIA, the candidate must take it to the concerned teacher within 48 hours. If the student is not satisfied with the outcome, they must approach the HOD of the department.
3. To be eligible to appear for the midterm test a student should have at least 75% attendance in the respective course. The students who do not appear for the Mid-Semester test would have to do so in the following year when the CIA is conducted. This is applicable to all students, except for those who officially represent the College, for whom a special test would be conducted.
4. There is no provision for improving the CIA marks and the marks for dissertation, once the semester ends.
5. End Semester Exam (ESE) will be held for 70 marks. The duration of the examination is 3 hours. All students must strictly follow the rules and regulations laid by the College during the exam.
6. Only those students who secure 75% attendance in each paper are eligible to write the end semester examination.
7. If a student misses the End Semester Examination, the student will be marked "Absent" and must take the supplementary examination in that paper in the next available chance.
8. A UG student has to get in each subject a minimum of 40% marks in the ESE and the aggregate marks should also be 40% which includes CIA & ESE.

9. The results of semester examination (including the CIA and ESE marks totaling to a maximum of 100 marks) will be published within four weeks from the date of completion of the End Semester Examination.
10. A candidate should complete the Bachelor's Degree within five (3+2) academic years from the year of admission.
11. To be declared passed, a PG student should obtain a minimum of 40% in every course both in the CIA & ESE i.e. 12 out of 30 in CIA and 28 out of 70 in ESE and a minimum SGPA for a Pass is 5.
12. A candidate should complete the Master's Degree within four (2 + 2) academic years from the year of admission.
13. Any problem pertaining to mistakes in declaration of results, in marks cards or revaluation shall be referred to the Controller of Examinations.
14. Each student will be given a unique –password for viewing the attendance, and CIA marks. With this password, students will be able to download hall tickets and marks statements. For safety, students are advised to change the password. If the student wants the password for the second time, original or the changed one, they must approach the Vice Principal's office with a letter regarding the same.
15. Final results for the semester will be made available to the students through the ERP. Students are required to maintain a copy of the provisional marks details published in the web site. The original marks card for all semesters will be issued only after the completion of the UG/PG Program.
16. Request for Revaluation, Re-totaling and photocopy of the answer book of the ESE, if any, has to be made to the Controller of Examination along with the prescribed fee within two weeks from the declaration of the results.
17. Students are requested to check the notice board regarding various events pertaining to the Exam Department.

### **Supplementary Examination / Special Supplementary Examination**

1. Students who have failed in any paper in the semester examination will have to write the supplementary examination for that paper. Such students will write the odd semester supplementary papers during the odd semester exams and even semester supplementary papers during the even semester exams along with the regular students.

2. A special Supplementary examination will be conducted for Semesters V of UG and Semester III of PG in the month of November and for Semester VI of UG and Semester IV of PG in the month of June. However students denied a Hall Ticket due to shortage of attendance are not permitted to write this exam.
3. The marks scored by a student in supplementary examinations will not be considered for rank. However, such marks will be taken into account for the award of grades. The marks obtained in revaluation and improvement will be considered for rank.
4. There is no provision for obtaining Photocopy of the answer script, revaluation and re-totaling in the Supplementary Examinations conducted by the College.
5. Any problem pertaining to mistakes in the declaration of results, entries in the Marks Cards or revaluation shall be referred to the Controller of Examinations in writing within a week of declaration of results/issuing of the Marks Card.

## Jesuit Education...

**Is world-affirming:** Jesuit education acknowledges God's presence and action in all of creation: in nature, in history and in persons. Therefore, it affirms the radical goodness of the world and it regards every element of creation as worthy of study and contemplation, capable of endless exploration.

**Cares for each person:** Jesuit education recognizes the developmental stages of intellectual, affective and spiritual growth and assists each student to mature gradually in all these areas.

**Is value-oriented:** Jesuit education includes formation in values, in attitudes, and in an ability to evaluate criteria; encourages a realistic knowledge, love, and acceptance of self.

It provides a realistic knowledge of the world in which we live.

**Pursues excellence:** The Jesuit education helps students to develop the qualities of mind and heart that will enable them in whatever station they assume in life - to work with others for the good of all.

**Is to form women and men for others:** Jesuit education helps students to realize that talents are gifts to be developed, not for self-satisfaction or self-gain, but rather, with the help of God, to be utilized for the good of the human community. Students are encouraged to use their gifts in the service of others, out of a love for God.
