PROLOGUE

St. Joseph's College of Commerce is one of the top educational institutions in India offering various opportunities for students to pursue their careers in the fields of business, management, accountancy and finance. With the motto "Fide et Labore" (Faith and Toil), the college aims at shaping a society of inclusive minds to cater to the diversity of our country.

The B.Com (Professional - International Accounting and Finance) programme has been designed in collaboration with the Association of Chartered Certified Accountants (ACCA), UK, with the objective of providing students with a deeper knowledge and understanding of subjects thereby making it a challenging, yet rewarding course to students with high career aspirations.

Invision, the official newsletter of the programme has been designed with a view to shed light upon current events happening within various corporate fields in order to help students inculcate a strong sense of ethics and corporate values, especially with regards to the accountability, transparency and responsibility of a professional in the business world.

EVENTS

This year has been nothing short of eventful for the ACCA professional studies course. With enthusiasm roaring, the events conducted witnessed a good turnout. This year, the ACCA core team focused on making the newsletters exclusively for ACCA students providing an in depth view of all things ACCA. Here is a glimpse of all the events conducted throughout the year.

1. Freshers Orientation about ACCA and ISDC: On 27th August 2022, a seminar was conducted in our college to provide an orientation about ACCA and ISDC by Ms. Nitya from ISDC. The seminar was attended by 80 students, all of them being first year B.com Professional students.

2. A Guide through your ACCA Journey: The guest lecturer was Ms Shalini Sethu Madhav an ACCA affiliate. Ma'am began by giving her insights on how she went about writing her professional ACCA paper, her studies tricks, the methods she used to study and how she answered the paper.

3. Strategic Planning for Audit: The speaker for the event was CA Puneet Rathi from Singhvi Dev & UNNI LLP – Chartered Accountants. The speaker stressed on how important it is for an auditor to have an audit plan and how it is very essential to stick to the timeline of the audit plan and not to divert from the plan unless very necessary.

4. Ethical values and professional skepticism: CA Niranjan Raman recently conducted a seminar on Ethical values and Professional Skepticism. The seminar focused on the importance of ethical values and professional skepticism in the accounting profession. Throughout the seminar, CA Raman provided practical examples and case studies to illustrate his points.

5. LinkedIn Workshop: The Students LinkedIn Profile Building Workshop was conducted on the 28th February, 2023 by guest lecturer Ms. Suma Annegowda. The session started with the basics of setting up a fresher's profile on LinkedIn, gradually focusing on how to connect with the right people.
